XFlite Private Space Travel is a pioneer in high class consumer space exploration operating from the outskirts of Phoenix, Arizona. Our patented XFlite Xpress provides passengers with a scenic journey through the suborbital atmosphere enhanced by generous servings of space food. Each shuttle in our fleet of Xpress units is equipped with patented

RoboPilots and SmartSensors, which ensure safe and enjoyable exploration of the final frontier. Currently, one Xflite X press departs per month, but a capital infusion will enable increased trips. Expenditures include shuttle maintenance, staff certification, and space food.
